

**Research shows that youth in Osage County  
are using methamphetamine  
at a higher rate than their peers across the state.**

**If you are concerned about what  
this means for Osage County,**

**You are invited to attend:**

# **A Town Hall Meeting**

**on Methamphetamine Awareness.**

**When: Thursday, May 10, 2007**

**Where: Carbondale Community Center**

**What time: 6:30 p.m.**

**Be our guest for pizza at 6:30,  
followed by a speaker from the  
Kansas Methamphetamine Prevention Project.**

**For more information, call toll free, 1-877-828-4154.**
