

# Overbrook Public Library Foundation

P.O. Box 389, Overbrook, Kansas 66524, 786-665-7266, [olfinc@yahoo.com](mailto:olfinc@yahoo.com)

September 21, 2006

Dear Community Supporter:

The Overbrook Public Library has strived to meet the needs of those in the Overbrook area for nearly 80 years with special collections, facilities, and technologies. Public funding covers approximately 80 per cent of the total budget. Community Chest, memorials, and private donations contribute to operating cost. These provide for *no extras* for our library.

The Overbrook Library Foundation was organized to support the growth and improvement of the library, both now and in the future.

- \* The Foundation was established in 2003, and in 2004 received tax-exempt 501(C)(3) status
- \* The Foundation's main goal is to solicit private charitable gifts and to establish endowment funds
- \* Funds have grown to over \$10,000, with 150 donations

Please consider supporting your library through the Overbrook Library Foundation.

- \* Contributions are tax-deductible
- \* *All* monies go into the endowment fund to provide a stable future for your library
- \* Contributions can be given in your name or used as a memorial for family or friends
- \* Appreciated stock and life insurance can be donated as well as bequests by will or charitable trusts
- \* Donations of \$250 or more are honored in a public display in the library
- \* A donor notebook recognizes all donations

With your generous gift, we can ensure the quality of the Overbrook Public Library for years to come. Thank you for your past or future donation of any size.
