

INVITATION TO AN IMPORTANT MEETING

Speakers: Adam Burnett with
Carrie Boettcher

Subject: Americans with Disabilities Act (ADA)
(Cause and Effect on our Community)

May 19, 2007

7:00 a.m.

American Legion Hall
(Light Breakfast to be served)

The Americans With Disabilities Act (ADA) is an important topic for all citizens in Overbrook and surrounding environs to understand. It is a **MUST KNOW** as we consider growth, aging populations, new and aged building structures and those in the position of “Need-to-know”; such as business owners, (new and established) town officials, builders, and civic organizations. To be informed is to be empowered – and to act wisely.

Our goal in this meeting is to be informed. What is the ADA?

Meet with your Overbrook Pride Committee as Adam Burnett, staff member of The Resources Center for Independent Living (RCIL) in Osage City, and Carrie Boettcher, from Emporia, as they present this vital subject; one that is sure to impact our town, not only as we grow, but as we age as a community.
