OPR and Overbrook City Council Joint Work Session

To discuss the possible creation of a Coordinator position to assist Park & Rec and the City with all summer activities and events including the over all management of the Pool.

It was decided that any decision regarding this position needs to be made with your Board. For that reason, Council would like to attend your monthly Board meeting on February 10 for a joint discussion on this.

There is an element of timing. The City needs to confirm a Pool Manager position soon - either as the position was last year or, as part of this newly created job.

Followed by regular OPR Board Meeting
