## Overbrook Police Department

### Don't Be Afraid To Call

With cold weather comes the possibility of icy roads, the Police Department also encourages drivers to keep an emergency kit in their vehicle and allow extra time for travel. **Police officers also offer jump starts for dead batteries in cold weather.**

**Please call (785) 665-7230.**

### Coffee with A Cop

The Overbrook Police Department invites citizens to attend Coffee with a Cop. It is held the **last Monday of each month at 9 AM.** Coffee with a Cop is a great way to express concerns, address issues and build relationships. The Overbrook Police Department also reminds citizens to look both ways at intersections and come to a complete stop at stop signs.

## Overbrook Fire Department

The Fire Department will be flushing hydrants around town as part of routine maintenance. You may notice temporary low pressure or discolored water; if so, run your tap until it clears. Thank you for your patience!

## City Wide Garage Sale

Our Annual City-Wide Garage Sale is held every year on the 4th weekend in April. It's a great opportunity to clean out, find treasures, and connect with neighbors. Stay tuned for details on how to be included on the sale map!

## Overbrook City Hall

### Trash Can Notice:

The dumpsters located throughout town are intended for use **only during scheduled events or when the associated public facilities are in use.**

They are not for personal or household dumping. Using these dumpsters for private trash quickly leads to overflow and limits availability for community activities. We appreciate everyone's cooperation in helping keep our public spaces clean.

### Ways to Help Reduce Trash Build-Up:

- Break down boxes before placing them in the bin
- Tie trash bags securely so items don't blow away
- Avoid placing loose items in or around the can
- Recycle when possible to cut down on waste

Thank you for helping keep our community clean!
